

Hands Across The Water – 2017

Pledge Sheet for _____

Hands Across the Water is the annual fundraiser for Abilities In Motion. As a non-profit organization, AIM heavily relies on the support of generous sponsors, grants and donations. Having raised money for the deck and dock lift last year, our goal this year is to raise \$25,000 so that we can complete the purchase of our boathouse and continue to provide adaptive paddling for people with varying abilities and their family and friends.

1. If making a cheque payment, please make it payable to “Abilities In Motion.”
2. If cash, please put in an envelope with name of paddler, donor, and amount.
3. Your pledge can be made via our website.
4. Abilities In Motion appreciates your support.
